

Alabama Supplies, Appliances, and DME Fee Schedule -Effective 04/01/06

**Alabama Medicaid Agency
Supplies, Appliances and DME Fee Schedule**

Updated August 9, 2006

Inclusion or exclusion of a procedure code, supply, product or service does not imply Medicaid coverage, reimbursement, or lack thereof. This list is published as a guide to information regarding coverage and reimbursement amounts. Verify current coverage and reimbursement amounts through the Automated Voice Response System (AVRS) by calling 1-800-727-7848. AVRS is addressed in Appendix L in the Provider Manual. There may be other restrictions to a procedure code not available from AVRS. Please consult the Provider Manual or call the Provider Assistance Center at 1-800-688-7989.

Medicaid is the primary payer for the codes listed in this fee schedule.

Codes requiring an EPSDT referral are identified with an "X" in the EPSDT-Referral column. If no "X" is indicated in that column, the procedure code is available for all Medicaid recipients with full benefits.

Codes requiring Prior Authorization are identified with an "X" in the PA column. Codes that are manually priced are identified with an "MP" in the Allowed Amount column.
